Dear Dr. Sobeck,

Our organization is pleased to support your research study entitled "Regional Needs Assessment for Substance Abuse" funded by the Southeast Michigan Community Alliance. We think it is important to understand the client perspective in assessing substance abuse needs, particularly as it relates to co-occurring disorders. This information will complement the multiple strategies that you have planned to determine the size and scope of the problem in out-Wayne and Monroe Counties. We agree to provide you and your team access to our agency for recruiting participants for the interviews. In addition, we will provide a confidential room for the interviews to take place.

Our agency looks forward to cooperating with you and your team for this research study.

Sincerely,

Susan Kozak, LMSW  
Executive Director
